EXPERIENCE

Dean's Fellow, Jordan University Law School, Washington, DC (2002 – 2003)

- Managed projects and research for Professor Jamal White.
- Handled entire process of editing, updating, and converting the popular legal treatise "State Law, Federal Law" from print to digital format.
- Assisted Professor White in his capacity as Mock Trial Judge.
- Conducted in-depth legal analysis of various cutting-edge issues and presented findings to assist in the rulings of the court.
- Carried out extensive research and analysis of current technological trends and their synthesis with legal precedent for the treatise "The Changing Face of Arbitration," to be published in January 2005.

Extern, Federal Appropriations Commission, Consumer Protection Bureau, Washington, DC (2002)

- Researched and analyzed legal issues for FAC Directors and Staff Attorneys; provided recommendations for further action.
- Analyzed Appropriation Act 22.3 for its effect on consumer rights issues.
- Analyzed legal ramifications of current regulatory laws upon Internet businesses and e-commerce.

Summer Associate, Heder, King & Keeley, Laurel, MD (2002)

- Conducted research and drafted memoranda for partners and associates of firm focusing on commercial and private real estate law.
- Researched and laid groundwork for land dispute arbitration which was adjudicated by firm partners.
- Commended by partners for superior writing and researching skill.

Program Manager, tcc.net, Wilmington, DE (2000)

- Led various aspects of Internet start-up focusing on secure online data transmissions.

Systems Analyst, TeleCorp., Osprey, DE (1998 – 2000)

VOLUNTEER WORK

- New Jersey Green Party (various campaigns)
- United Federation of Delaware
- Income Tax Relief Assistance Organization, Washington, DC
